

REMARKS

Claims 1-14 remain, claims 4-14 standing as withdrawn from consideration as directed to a nonelected invention.

Applicant confirms the election of Species I, Figures 1-5, claims 1-3 readable thereon.

Replacement drawing sheets are submitted herewith with corrections made to obviate the objections made by the Examiner.

Claims 1-3 have been amended to correct the indefiniteness noted and to incorporate the broad limitations into claim 1 to be distinguished over the Liu et al. reference, relied on in rejecting claim 1 under 35 USC 102(b).

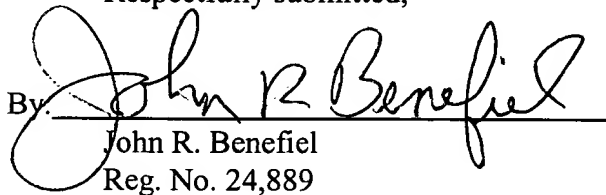

Specifically, claim 1 now recites two lift arms and the double ended output shaft drivingly connected thereto.

It is urged that claims 1-3 are thus in condition for allowance and such action is respectfully requested.

Respectfully submitted,
